CRITERIA FOR FEE WAIVERS AND TRAVEL AND ACCOMMODATIONS GRANTS

Applications for fee waivers and grants are reviewed by ENCLE’s Fee Waiver and Grants Committee, which will apply the criteria listed below:

- All applicants must have shown a commitment to Clinical Legal Education/Justice Education or have engaged in other activities consistent with the goals of ENCLE (see ENCLE goals): http://www.encle.eu/about-encle/what-are-our-goals.
• Applicants for a grant must be presenting at a conference session or be actively involved in the organization of the conference. NOTE, however, that this in itself does not guarantee the award of a grant. Applicants for fee waivers are not required to be presenting at a conference session or being actively involved in the organization of the conference. Nevertheless, actively involved persons will be given preference.

• The availability to receive a fee waiver and/or a grant will depend on the applicant’s capacity to pay the fee from personal resources and funds available from sponsors. Applicants MUST therefore provide comprehensibly reasons on why he/she cannot afford to pay the conference fee or the travel/accommodation.

• In the interest of furthering ENCLE’s mission, the following will also be considered:
  o Applicant from Europe (as understood largely!) will be given preference. Applicants from outside Europe are invited to present applications for fee waiver/grants. However, the decision will depend on the resources available.
  o The geographical spread of applicants. The Committee will aim to include as many applicants from different countries as possible. This may result in some applicants not receiving a fee waiver or grant if there are multiple applications from one location.
  o The gender of the applicant, as ENCLE endeavors to ensure regional representation of all genders at the conference.
  o Representatives of new and emerging clinical programs, as ENCLE values the opportunity to assist those locations and countries where new clinical legal education.
